

Boar's Head
Compromise elsewhere.

All of our products are made with exceptional care and attention to quality.

Since 1905, Boar's Head has been a family business. In the beginning we had a very simple idea. Make the finest cold cuts possible. Nothing less.

We still insist on the same unwavering commitment to those standards we established long ago. Our meats and cheeses contain no gluten*, artificial colors or flavors, added MSG, fillers or by-products, or trans fat†.

To this day, we start with exceptional ingredients: whole muscle beef, pork and poultry, hand cut and hand trimmed, as well as spices sourced from around the globe. This is how we did it in the beginning and how we continue to make our products today.

Boar's Head is proud to be the brand in which consumers continue to place their trust.

* All Boar's Head meats, cheeses, spreads and condiments are gluten free.
